(L-R): Mr P Ravichnadrán, Vice Chairman, ColdStoRe India 2019 & President, Danfoss Industries Pvt Ltd, Mr Navas Meeran Chairman - Foodpro 2019 & Chairman Eastern Condiments (P) Ltd, Mr Sanjay Jayavarthanavelu Chairman CII Southern Region & Managing Director Lakshmi Machine Works Limited, Dr K Ellangovan IAS, Principal Secretary, Government of Kerala, Shri Rameswar Teli, Hon'ble Minister of State for Food Processing Industries, Government of India, Thiru Banwarilal Purohit, Hon'ble Governor of Tamil Nadu, Mr R Kamaraj, Hon'ble Minister for Food & Civil Supplies, Government of Tamil Nadu, Mr S Gagandeep Singh Bedi, IAS, Agricultural Production Commissioner, Principal Secretary to Government of Tamil Nadu, Mr S Chandramohan, CII Tamil Nadu State Council Chairman, President & Group Chief Financial Officer (CFO), Tractors and Farm Equipment Limited, Dr. C Anandharamakrishnan Director, Indian Institute of Food Processing Technology (IIFPT), Mr Sathish Raman, Regional Director, Confederation of Indian Industry (Southern Region) and Prof J Ranganthan, Honorary Consul of Myanmar, Chennai.

Key Dignitaries Address during Inaugural Session at Foodpro

Tamil Nadu Governor **Thiru Banwarilal Purohit**, further said that India could well become the food factory of the world what with a set target of Rs 100 lakh crore worth of investment coming in the next five years and to promote the food processing sector, 100 per cent FDI was allowed under the automatic route and the same percentage was also allowed through government approval route for retail trading in respect of food products manufactured or produced in the country

Mr Rameswar Teli, Minister of State for Food Processing Industries, Government of India in his address said that the food processing ministry has launched several schemes for the benefit of food processing sector. In Tamil Nadu, three schemes have been completed out of 12, and there are efforts to create mega and mini food parks in the state with the allocation of 50 acres and 10 acres respectively”, he said

Mr R Kamaraj, Minister for Food and Civil Supplies, Government of Tamil Nadu, said the state had set apart Rs 482 crore for the food processing sector in the form of various schemes to benefit the farming community. He also said that Tamil Nadu showed the way to others in terms of creating food security to the people through the public distribution system. “There are 1800 direct paddy procurement centres in the state that can benefit 5 lakh farmers who can produce 20 lakh metric tonnes of paddy and a sum of Rs 1450 crore has been earmarked for the godowns”, he added.

Mr Sanjay Jayavarthanelu, Chairman, CII Southern Region and CMD, Lakshmi Machine works in his address said that the food processing industry need to focus on capacity building initiatives and skill development all across the value chain to gain a competitive advantage globally. It would also strengthen the linkages across the agriculture and food processing industry with an objective of building a connected an integrated value chain that in turn can result in minimising spoilage, increase in value addition and contribute significantly towards enhancing the farmer income.

Dr K Ellangovan, Principal Secretary, Department of Industries and Commerce, Government of Kerala, said the state of Kerala had two food parks and five industrial parks with a great focus on developing the MSMEs by all reckoning

Mr Navas Meeran, Chairman, Foodpro 2019 and Chairman, Eastern Condiments, said that food processing industry needed to focus on value added products for its sustenance with a focus on 10 cold storage facilities that had come for food processing. The food processing industry need stronger infrastructural facilities, better quality control & testing facilities and an ecosystem to create robust supply chain and availability of raw material, competitive inventory management, a conducive taxation regime, best in class packaging solutions and adherence to global safety practices will boost the food processing industry and the inputs sector to the next level of growth

Mr P Ravichandran, Chairman, Agriculture and Food Processing Sub-Committee, CII-SR and President, Danfoss Industries, said that food processing industry stood at a size of \$ 450 billion and it could move up to \$ one trillion by 2022 as more and more start-ups had started emerging to help the farming community

Dr C Anantharamakrishnan, Director, Indian Institute of Food Processing Technology, said that many local brands had surfaced in the food processing industry though people opted for traditional foods

GLIMPSE OF FOODPRO 2019

Foodpro 2019 witnessed presence of 310 exhibitors and footprints of over 23000 nos. of visitors

Two concurrent shows ColdstoRe India 2019 and T-food (Traditional Food) 2019 held along with Foodpro 2019

ColdstoRe India 2019 Focused on the complete cold chain right from primary cold storage facility for food grains and fruits at Farm Level to high end cold storage for meat and food products including the important sector of Cold / Refrigerated Transportation

T-Food, a traditional food event, brought awareness about the traditional and local foods, especially millets. The show presented newer recipes of cooking traditional foods and provided opportunity to entrepreneurs showcase the developments in processing of Traditional food.

The Conferences focused

As part of Foodpro 2019, CII is organizing 3 days Sectoral Conference on Food Processing Technologies, Dairy Technologies & Traditional Foods. The objective of the conference is to promote and provide technology based knowledge sharing among the stakeholders

Day 1: 23rd August 2019: Conference on Emerging Technologies in Food Processing Sector

- CEO Session on Future of Food Processing Industry
- Recent Advances in Food processing Technologies
- Innovative Food Technologies

Day 2: 24th August 2019: Conference on Dairy Technologies

- Emerging Technologies in Dairy Technologies
- Disruptive Technologies in Dairy Technologies
- Probiotic Foods, Value addition and New Ingredients in Dairy Products

Cold Chain Management for Dairy Products

Day 3: 25th August 2019: Conference on Traditional Foods

- Traditional Farming and Market
- Value Added Products

BRING BACK ATTENTION TO TRADITION FOOD

DC CORRESPONDENT CHENNAI, AUG 25

"Traditional food bucket in Tamil Nadu has long history which is not changed much and most of our traditional foods are from produce of the land. Traditional food is safe, medicinal and contains wisdom of 1,000 years" says Shunchonggam Jatak Chiru, Principal Secretary / Commissioner, Directorate of Agriculture Marketing and Agri Business, Government of Tamil Nadu.

Inaugurating the conference on Traditional Foods organised by the Confederation of Indian Industry (CII) as part of Foodpro 2019 here on Sunday, he called for efforts to bring back the attention of consumers to traditional foods and also maintain the demand, supply and logistics chain of traditional food products.

"Strategic research on traditional food has to be done immediately or else we will lose out to the other countries," Chiru said. He also called upon the farmers to look at relevant technology and marketing strategy to prosper. For its part, the government would invest in infrastructure like cold storage and food parks to improve the food production, he said.

Srinivas Reddy, Member, Foodpro 2019 Steering Committee and Senior General Manager, Blue Star Ltd said "Traditional foods play an important role in our local identity, consumer behaviour and transitional heritage for future generations. The increase in demand for traditional foods would help growth of small and medium enterprises."

As India carries much culture and ecological differences and it has wide range of traditional products which needs to be registered in Geographical Indications to establish the trust and to become brands in the market, he suggested.

A. D. Padmasingh Isaac, Conference Chairman & CMD, Aachi Group of Companies said, "Food culture in India is very unique as we have invented food as medicine very long ago. Traditional food is healthy and rich in nutrition."

Governor lauds TN for becoming leading food exporters

Chennai, Aug 24: Governor Banwarilal Purohit said that the country's aim to become a \$ 5 trillion economy by 2025 needed an overall growth of 9 per cent or more and the food industry should commit itself to grow with speed and with scale for offering food safety and security to all of its citizens. Inaugurating the 13th Edition of Foodpro 2019

organised by the Confederation of Indian Industry (CII), he said as of now the food processing industry contributed to around 9 per cent of the country's manufacturing output and the sector witnessed a growth of 11 per cent is expected to touch \$600 billion milestone next year. He also said the government had set a target to create direct and in-

direct employment for 5.30,500 persons in the food processing sector by 2020.

The Governor lauded the Tamil Nadu government for becoming one of the leading food exporters of varied food products like marine products, rice, cereal and dairy products as also the efforts taken by the state to give more impetus to achieve its objectives of

increasing the income of farmers and establishing cold storage facilities for perishable products. Rameswar Telu, Minister of State for Food Processing Industries, Government of India in his address said that the food processing ministry has launched several schemes for the benefit of food processing sector. In Tamil Nadu, three schemes have been completed out of 12, and

there are efforts to create mega and mini food parks in the state with the allocation of 50 acres and 10 acres respectively", he said.

R Kamaraj, Minister for Food and Civil Supplies, Government of Tamil Nadu, said the state had set apart Rs 482 crore for the food processing sector in the form of various schemes to benefit the farming community. He also said that Tamil Nadu showed the way to others in terms of creating food security to the people through the public distribution system. "There are 1800 direct paddy procurement centres in the state that can benefit 5 lakh farmers who can produce 20 lakh metric tonnes of paddy and a sum of Rs 1450 crore has been earmarked for the godowns", he added.

Dr K Ellangovan, Principal Secretary, Department of Industries and Commerce, Government of Kerala, Sanjay Jayavarthanavelu, Chairman, CII Southern Region and CMD, Lakshmi Machine works, Navas Meeran, Chairman, Foodpro 2019 and Chairman, Eastern Condiments, P Ravichandran, Chairman, Agriculture and Food Processing Sub-Committee, CII-SR and President, Danfoss Industries, Dr C Anantharamkrishnan, Director, Indian Institute of Food Processing Technology, S Chandramohan, Chairman, CII Tamil Nadu & Group CEO and President, TAFE spoke at the meeting.

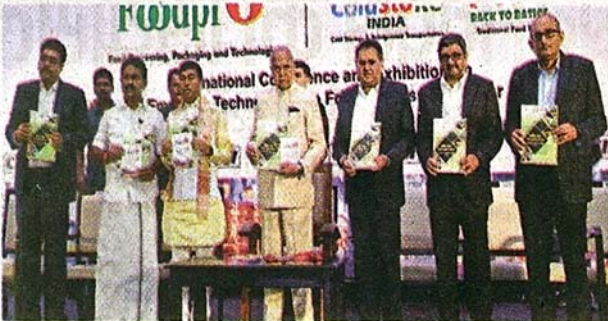

'Focus on traditional food, need of hour'

CHENNAI: "Traditional food bucket in TN has a long history and most of our traditional foods are from produce of the land. Traditional food is safe, medicinal and it contains wisdom of 1,000 years," said Shunchonggam Jatak Chiru, Principal Secretary, Commissioner, Directorate of Agriculture Marketing and Agri Business, TN in his inaugural address at the Conference on Traditional Foods organised by the CII as part of Foodpro 2019 here. AD Padmasingh Isaac (inset), CMD, Aachi Group of Companies, said, "Food culture in India is unique as we have invented food as medicine very long ago. Traditional food is healthy and rich in nutrition. TN is the best state to promote traditional foods as various crops are grown here which has nutrition and health benefits."

फूडप्रो 2019 का उद्घाटन

2020 तक खाद्य प्रसंस्करण उद्योग 600 बिलियन डालर

चेन्नई. चेन्नई ट्रेड सेंटर में फूडप्रो 2019 का उद्घाटन तमिलनाडु के राज्यपाल बनवारीलाल पुरोहित ने किया। उन्होंने अपने संबोधन में, ने कहा 2020 तक फूड प्रोसेसिंग इंडस्ट्री 600 बिलियन डालर की हो जाएगी। देश का लक्ष्य 2025 तक 5 ट्रिलियन डालर अर्थव्यवस्था का है। इसके लिए जरूरी है कि सर्वांगिक विकास 9 प्रतिशत या अधिक हो। फूडप्रो का यह 13वां संस्करण है जिसका आयोजन भारतीय उद्योग परिसंघ की

ओर से किया जा रहा है। राज्यपाल ने कहा कि अगले साल तक खाद्य प्रसंस्करण उद्योग के 600 बिलियन डालर पहुंचने की उम्मीद है। इस क्षेत्र ने संगठित क्षेत्र में 12.8 प्रतिशत कार्यबल को रोजगार दिया है। इसके अलावा असंगठित क्षेत्र में भी बड़ी संख्या में लोगों को रोजगार मिला हुआ है। आने वाले दिनों में इस क्षेत्र में और लोगों को रोजगार मिलेगा। केन्द्रीय मंत्री रामेश्वर तेली ने कहा मेगा एवं मिनी फूड पार्क बनाने के लिए

प्रयास किए जा रहे हैं। इस अवसर पर राज्य के खाद्य मंत्री आर.कामराज, केरल के उद्योग सचिव डा.के. इलंगोवन, सीआईआई सदस्य रीजन के चेयरमैन संजय जयवर्द्धनवेलु, फूडप्रो के चेयरमैन नवस मीरान, डैम्फोस के प्रेसिडेंट पी.रविचंद्रन तथा इंडियन इंस्टीट्यूट ऑफ फूड प्रोसेसिंग टेक्नोलॉजी के निदेशक डा.सी. अनंतरामकृष्णन तथा टैफे के ग्रुप सीईओ एस.चंद्रमोहन ने भी विचार व्यक्त किए।
